THE BEST CARDS ARE THE KIND YOU WANT TO KEEP

Willow & Ivy Press started with a simple mission: to create stylishly cool greeting cards that resonate with the women of our times. We pair contemporary designs with lasting sentiments to craft upscale greetings that honor life's every occasion.

Our close-knit team of writers, designers, and mentors is proud to put forward a selection that's made by women, for women. We're excited to present our initial offering to you in the pages that follow. We're sure that you'll love our cards just as much as we do!
